Thread Gatheing - Happening at Unami Friends Meeting on Saturday, January 24

Friends will be gathering for [a day of workshops on Religious Education](#) across the lifespan.

[*Learning for Life: A Religious Education Thread Gathering*](#), which will be happening at three locations simultaneously, offers opportunities for learning for adults, youth, and intergenerational groups, with time spent on deepening worship, bringing children and teens into the life of the meeting, and creating activities for multigenerational worship and to help all Friends at every meeting feel part of the whole.

Whether you come with your own questions about Quaker practice or serve on a committee that cares for worship, spirituality, or First Day School.

Arrivals begin at 9:00. The morning includes intergenerational worship, a walking worship activity, and conversation circles on Quaker process, worship practices, and supporting children and teens; Childcare is offered during adult-focused parts of the day.

Lunch runs from 12:15 to 1:00. The afternoon includes a children's workshop, resource sharing, and a session called *Your RE Dream Day* to help Friends shape plans for Religious Education in their meetings.

Help needed for hosting Abington Quarterly Meeting at Unami on Sunday February 1

The AdHoc committee for planning the AQM meeting needs your help. We may have over 50 visitors from around the Quarter. We are serving a simple breakfast and lunch. Specifically we need the following:

- 1) 2 people to each make/bring a large pot of soup (you can choose any soup except lentil and mushroom – those are already taken)
- 2) Several people to make/bring bread to go with the soup.
- 3) Several people to make/bring cookies, brownies or other finger foods for desert
- 4) Several people to bring finger foods for breakfast – we want this to be a food that can be served on a napkin. Muffins, egg bites, donuts, cut up fruit etc.

Please inform Philip of your planned contribution. Email philipkdonnelly@yahoo.com or just let him know any way you can.

Query for the Month of December

Grounding for Transformed Lives: Integrity and Simplicity

- What is the interplay between simplicity and integrity in the life of our meeting?
- How does our meeting embody simplicity and integrity in its structures and practices?
- How has our meeting considered humanity's impact on the earth's ecological integrity and the ways in which violence and injustice exacerbate this impact?
- *How do I strive to achieve harmony between my inner and outer commitments in my spiritual journey, my work, my family and my other responsibilities?*
- *Am I temperate in all things?*
- *Am I open to counsel regarding addictive behavior?*
- *Am I involved only with those organizations and activities whose purposes and methods complement my integrity?*
- *Am I careful to speak truth as I know it and am I open to truth spoken to me?*
- *Am I mindful that judicial oaths imply a double standard of truth?*
